

Pacific Union “All God’s People” Nov 12 2021 S5 E40

In the Southern California Conference, El Monte Vietnamese celebrated the first graduates from their evangelism school. Elementary school students in Arizona completed a virtual Grand Canyon Rim-to-Rim walk, logging at least 25 miles of steps last month. And yesterday, November 11, was Veterans Day, a day that pays tribute to all American veterans - living or dead - but especially gives thanks to living veterans who served their country honorably during war or peacetime.
