

Sierra View Junior Academy Students Focus on Staying “Anchored 2 Him”

Here’s a sneak peek of what the first chapel of the 2021-2022 school year looked like for Sierra View Junior Academy in Exeter, Calif.

Students learned about the school’s theme for the year: Anchored 2 Him.

“How blessed we are to have a God that never lets us go and holds us fast through the storms!” the school shared on social media.

Sierra View Junior Academy’s mission is to provide a [Christ-centered education](#), focused on personal and academic

excellence, promoting spiritual maturity in preparation for service and Christ’s soon return.

Grounded in the Seventh-day Adventist Christian faith, they are a close knit community enriched by a diverse group of students, teachers, board members and parents working together to nurture student minds and hearts.
