

## Pacific Union All God's People Oct 8, 2021 S5E35

Elmshaven is the historic Victorian-style home of Seventh-day Adventist Church co-founder Ellen G. White, who wrote nine major books out of her overall body of work in the upper writing room of the house. It is a perfect place to begin our coverage of "Spirit of Prophecy" month.

Additional stories include an innovative mission trip in Southern California, and Clergy Appreciation Sabbath.
