

2021 Graduation Special Edition

What a rollercoaster school year this has been! With graduation ceremonies postponed, virtual, or “drive by” last year due to the pandemic—it was such a blessing that our 2021 graduates have been able to participate in more traditional ceremonies.

A few interesting statistics:

Out of our 116 schools, we had 685 Kindergarten graduates; 818 eighth-grade graduates; and 693 12th-grade graduates.

Enjoy this montage of some of our graduations from Hawaii to Arizona, California to Nevada, and Utah. Congratulations to the class of 2021! We are SO proud of you!

“For you have been called to live in freedom, my brothers and sisters. But don’t use your freedom to satisfy your sinful nature. Instead, use your freedom to serve one another in love.”

- Galatians 5:13
