

Easter Weekend 2021

Christians around the world are celebrating Holy Week—the final week in the ministry of Jesus Christ that includes the two pivotal moments in His life so significant to the Christian faith: His death and resurrection. As Adventists, we understand this extraordinary moment in the context of the great controversy—and the unfailing love and commitment God has made to the human race.

The resurrection is God’s answer to sin, disease, adversity, conflict, and all those things that break our hearts. We serve a risen Savior; He’s in the world today. He lives! Christ Jesus lives!

Easter is the story of our greatest hopes and aspirations for the future, rooted in the life, ministry, death, and resurrection of our Lord, Jesus Christ. Our prayer today is that All God’s People may be blessed as we contemplate God’s grace and unwavering love for our world during this special time.

The angel said to the women, “Do not be afraid, for I know that you are looking for Jesus, who was crucified. He is not here; he has risen, just as he said. Come and see the place where he lay.”

- Matthew 28:5-7 (NIV)
