Camp Yavapines is nestled within the majestic Ponderosa Pines of Prescott, Arizona and is a place where young people get to experience the amazing adventure of summer camp. It's also a place where young people are introduced to the love of Jesus.

Owned and operated by the [Arizona Conference of Seventh-day Adventists](#), this camp is once again resuming summer camp operations (with Covid-19 safety procedures in place) and will launch their summer of ministry with Adventure Camp running July 4-9.

Via social media, the camp recently introduced their leadership team, counselors, and support staff!
